LOCATION: Couch.

MOOD:  exhausted

MUSIC: Violin Sonata in Something Or Other. Ask Handel. He'd know.

It's good to be home. Even if we *did* have to ~~serve out our sentence~~ go in to the office before we could drag our butts back to our own abodes and collapse. Or in my case, throw everything in my bag in the laundry and collapse. Zinfandel and sweetie, and a "hey!" to my peeps on the 'nets.

Missed you, Platypus. Glad to see your ~~jailbreak parole~~ return home is on schedule. I brought you ground chiles, three kinds.

Thank you

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

Home is good. We approve of home.

We also approve of sweeties and zin and strongly urge you to be vigilant about not falling behind in meeting your sweetie and zin quota. The paperwork is awful.

Also, "Hey!" back atcha.

Including the temperature kind of cool! Ah, a nice lounge up in the mountains, and not too far away from D.C. summer swampfest... Perfect!

The pictures are down there, but there's a photo of one of the bracelets on the home page. Hah--yep, that's what our WW needs!
